

COMPLETE SOLUTION
GENUINE QUALITY

Intake Hose, Air Filter

Intake Hose, Air Filter

High coverage for:

13 strong part numbers

Gastight test machine

Tension test machine

Delivery Inspection Report of Parts

Supplier Name		ANPU AUTO PARTS CO., LTD.				Part Name		Air Intake Hose		Inspector/date (signature): Zhang Shujing		
Project model						Part No		13717609010		Reviewed by/Date (signature): Zou Xiaogang		
Inspection/Test date		20221019				Quantity of arrived parts		200				
Serial No	Inspection items	Inspection standards	Judgment basis/standard description	Detection frequency	Test method/measuring tool	Inspection/Test results					Judgment conclusion	remarks
						1	2	3	4	5		
Appearance item (including part identification)												
1	Appearance	Drawing requirements	The overall appearance of the product is not allowed to have quality defects such as color mixing, batch edge, material shortage, shrinkage, cold spot, mark, crack and fracture.	5 pieces/batch	visual	OK	OK	OK	OK	OK	OK	
2	Appearance	Drawing requirements	Induction welding shall be free of crack, compression damage and falling off. The welding fusion contact surface of accessories is complete and effective without obvious glue overflow.	5 pieces/batch	visual	OK	OK	OK	OK	OK	OK	
3	parts	Drawing requirements	The materials of the assembly accessories shall meet the requirements of the engineering standard drawings, and the appearance shall be good without rust, deformation and defects. The quantity is correct. The rubber sealing surface and installation slot shall be free of burrs and missing parts, and the accessories shall be complete without missing.	5 pieces/batch	visual	OK	OK	OK	OK	OK	OK	
4	Appearance	Drawing requirements	Outer box and PE bag. One box of 20.	5 pieces/batch	visual	OK	OK	OK	OK	OK	OK	
5	identification	Drawing requirements	1919	5 pieces/batch	visual	OK	OK	OK	OK	OK	OK	
Dimension and performance items												
6	Hole size	Drawing requirements	Φ63.3±0.5mm	Once/batch	Go no go gauge	OK	OK	OK	OK	OK	OK	
7	Hole size	Drawing requirements	Φ86±0.2mm	Once/batch	Go no go gauge	OK	OK	OK	OK	OK	OK	
8	Hole size	Drawing requirements	Φ18.8±0.2mm	Once/batch	Vernier caliper	18.9	18.9	18.9	18.9	18.9	OK	
9	Thickness	Drawing requirements	2±0.5mm	Once/batch	Vernier caliper	2.1	2.1	2.1	2.1	2.1	OK	
11	Welding strength	Inspection Operation Instructions	≥200N	Once/batch	Universal testing tensile machine	350	350	350	350	350	OK	
12	leak test	Inspection Operation Instructions	≤150Kpa.10s	Once/batch	KY230 air tightness tester	OK	OK	OK	OK	OK	OK
